RE: LETTER OF APPRECIATION

~~Dear Mr. Spico~~

I would like to take this opportunity to express my sincere gratitude and appreciation for the work your company performed on Arapahoe County Project C03-004, S. Quebec St. Improvements. I personally have been in this line of work for over 20 years and have never worked with a more professional company. The afore mentioned project was completed on schedule and under budget. Both the traffic issues and weather during the Winter of 06-07 made construction of this project both complex and difficult. Thank you and your company for a job well done.

Sincerely,

William P. Nichols
